TO WHOM IT MAY CONCERN

I am pleased to certify that Azat Foundation (a non-government organization) has worked as service provider for Emergency Rehabilitation and Coordination Unit (ERCU) of the FAO-UN from 14 December 2011 to 4 November 2012 in Balochistan.

Azat Foundation was engaged under a Letter of Agreement signed with FAO for undertaking distribution of agriculture and livestock inputs to 1 787 beneficiary households for which the Service Provider formed 111 farmer groups for seed, vegetable, dairy and poultry kits in Jaffarabad and Naseerabad Districts of Balochistan. The work completed by Azat Foundation on this project was satisfactory and completed within the planned timeline.

For further details, undersigned may be contacted.
