

Refugee Affected & Hosting Area Programme (RAHA)  
Programme Management Unit Balochistan

TO WHOM IT MAY CONCERN

This is to certify that AZAT Foundation has worked with United Nations Development Programme (UNDP) as Implementing Partner and successfully completed following projects under Refugee Affected and Hosting Areas Programme (RAHA) in District Chagai:

- 1) Skill Development project for male community activists June 2010
- 2) Capacity building of CO office barriers on Participatory Monitoring and Evaluation October-December 2010
- 3) Skill Development project for women community activists December 2010-March 2011
- 4) Behavior Change Communication on hygiene, WASH, Water Conservation & Waste Management May-June 2012

During the implementation of the above mentioned projects Azat Foundation has been performing very well, meeting all target results and ensured quality & timely delivery. This office has found that the organization has good capacity in technical, human, financial and administrative resources.

The overall performance of AZAT Foundation is satisfactory.
