This is to certify that **AZAT FOUNDATION** has worked with Actionaid in the capacity of “Local Rights program Partner from 2009 to 2016 at its LRP-15, district Noshki for the awareness raising, capacity building and general uplift of the poor and marginalized people of the area through rights based approach and for the eradication of poverty.

During our partnership tenure besides practical work they had also gone through the policies & procedures documents, country strategy papers, structure and working of our organization as well as our other partner organizations. They had been prepared & submitted their reports to us.
